Dear Customer,

This letter is being sent to clarify that Small Steps Labs LLC is a sole source distributor of Fitabase. No company other than Small Steps Labs LLC will provide you with this research platform. The existence of a 9-year partnership with Fitbit gives Small Steps Labs' a distinct position to offer a robust research platform for groups using Fitbits in research, with access to Fitbit's partner-level API and higher rate limits necessary for pulling high resolution data for numerous participants.

Please contact Jessica Lee-Brodie at jessica@fitabase.com with any questions. Thank you for the opportunity to provide pricing for your project.

Sincerely,

A handwritten signature in black ink that reads "Aaron Coleman".
